

# PRECAUTIONARY MEASURES TO BE FOLLOWED WHEN USING HOME DELIVERY SERVICE

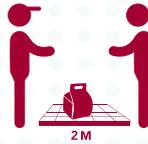

Prepare your meals at home at all times, and if you need to order through the home delivery service, make sure to:

1

Ask the delivery person to leave the order in front of the door

2

Maintain a safe distance of 2 meters at minimum between you and the delivery person

3

Use single-use gloves to pick up the order and dispose of them immediately in a safe manner

4

Pay for your order online using the application

5

If the method is used, it is preferable to pay the exact amount so that you do not receive any change, and it is important to wash your hands afterwards

6

Wipe and disinfect food packages before handling them

7

Wash your hands with soap and water for 20-40 seconds after disposing of all packages, including boxes, bags and packaging materials in a safe manner

8

Wipe the surfaces that have been touched after the packaging has been disposed of

9

Empty the meals in clean dishes assigned to each family member
