QCHP's new approved specialty qualifications list for physicians in the State of Qatar

QCHP
المجلس القطري للتخصصات الصحية
Qatar Council for Healthcare Practitioners

No: 1 Policy Statements

- Listed below are the current approved physician`s specialty qualifications in the state of Qatar.
- Qualifications /Certificates not included in the list or from countries other than the below mentioned will be evaluated as Associate physician.

Definition:

In determining the eligibility of an applicant for registration with QCHP the following definitions for each category to be considered:

Category 1: Holders of these certificates can:

- a. Get the **Specialty scope** without obtaining clinical experience post qualification degree.

Category 2: Holders of these certificates can:

- a. Get the **Specialty scope** after completion of one year clinical experience post qualification degree, unless otherwise specified in the attached table (If the applicant has less than one year clinical experience post qualification degree, he/ she will be eligible for Associate physician till the required experience is fulfilled) .

For Candidates holding the certificates with asterisk **

- a. Get the **Specialty scope** after completion of three years clinical experience post qualification degree, unless otherwise specified in the attached table.
- b. If the applicant has less than the required years of clinical experience post qualification degree he/ she will be eligible for Associate physician till the required experience is fulfilled.

Note: The Health care facility has the right to give consultant title to the physician/s according to the policy guidelines mentioned in Appendix (1).

Board Eligible Category (Only for HMC, PHCC and Sidra Medical & Research Center)

- 1- Board eligible physicians are defined as - “Physicians who:
 - Are Qatari nationals or permanent residents of Qatar;
 - Graduated from any of the medical school(s) approved by/ in the State of Qatar;
 - Completed a structured training program in the United States or Canada (North America) that is accredited by QCHP.
- 2- Board Eligible candidates will be registered & licensed as “**Board Eligible physicians**” and will be granted a grace period not exceeding 3 years to complete the exam and be ‘Board Certified’.
- 3- The physicians in this category will benefit from the mentioned grace period after providing the QCHP with a justification letter clarifying the reason of the delay in getting the Board certification.
- 4- Physicians will be eligible to be licensed in their area of specialty, whenever they passes the certifying exam.
- 5- Candidates, who didn’t get Board certification, within the grace period, will be registered and licensed as “**Associate physician**” as per the area of specialty.

QCHP

المجلس القطري للتخصصات الصحية
Qatar Council for Healthcare Practitioners

6- Board Eligible physicians will be working under supervision.

Note:

- A waiver of one year from the experience required will be granted for holders of recognized Fellowship program.
- Qatari Physicians and Physicians who completed a training program that is accredited by QCHP in the State of Qatar and are Board Certified; are exempted from post qualification experience to obtain the Specialty.
- Fellowship program from HMC will be recognized in determining the scope of practice.

Note: In case of any Governmental agreements with any country that are not included in the list, specialization degree/ certificates can be assessed based on the agreement.

No.3: General Remarks

- ❖ Holders of any post-graduate degree that isn't included in the above table must submit his/her transcript and program curriculum or equivalent subject for review according to QCHP's policies and procedures.
- ❖ It is to be noted that the above table is not exclusive and the Qatar Council for Healthcare Practitioners (QCHP) reserves the right to amend and update the requirements at different intervals without prior notice.
- ❖ Holder of a Qualification degree which is higher than the degrees mentioned in the above table will be considered accordingly.
- ❖ The post-graduate degree which is limited for certain duration of time, should be valid at the time of applying for Registration/licensing with QCHP.
- ❖ QCHP reserves the right to ask for recommendation letters and complete the assessment through the expert panels.
- ❖ QCHP reserves the right to conduct interviews as part of the evaluation process if required.
- ❖ QCHP has the right to ask for additional supporting documents whenever needed.
- ❖ Holders of specialty certificates in the main specialty while their work experience in the sub specialty, the registration department can grant them the Scope of Practice as per the sub specialty only if the university/issuing institution does not have the sub specialty degree at the time he/she got the degree. The registration department may request for an official proof (if necessary).
- ❖ In determining the eligibility of an applicant for registration in Specialty Scope, applicant shall comply with the following basic requirements:
 1. To have a minimum of six (6) years undergraduate degree (MBChB/MBBS/MBBCh /Northern American MD or equivalent)
 2. The internship program can be considered for completion of the required undergraduate study years, in case the medical college program is less than (6) years.
- ❖ QCHP reserves the right to consult an expert panel in the respective specialty whenever required.
- ❖ Physicians cannot be registered with double specialties unless they are related, but can get privileges for more than one specialty after assessment through a specialized committee.
- ❖ Certificates of mostly academic nature and character, the curricula of which do not include patient care, clinical practice and practical training in the field of specialization.

QCHP

المجلس القطري للتخصصات الصحية
Qatar Council for Healthcare Practitioners

- ❖ This policy cancels any previous policies in this regard.
- ❖ Healthcare facilities are given the right to grant the title of specialist or consultant to their physicians, according to the Guidelines and standards approved by QCHP. (Appendix 1)
- ❖ The applicant must be reasonably fluent in either Arabic or English or both.
- ❖ Please ensure to check the below mentioned website for any updates:
 - ✓ www.qchp.org.qa
 - ✓ www.MOPH.gov.qa
